

## God's Commitment to Believers: Adoption

When a person comes to faith in God, that Believer develops a relationship with God. So why does the Bible speak of God adopting Believers?

1. Carefully listen to this passage. What stands out to you?

But to all who did receive him, he gave them the right to be children of God, to those who believe in his name, who were born, not of natural descent, or of the will of the flesh, or of the will of man, but of God. (John 1:12-13, CSB)

2. As you listen to this passage, what gives you the sense that God considers you as something very precious? How do you get adopted by God?

For he chose us in him, before the foundation of the world, to be holy and blameless in love before him. He predestined us to be adopted as sons through Jesus Christ for himself, according to the good pleasure of his will, (Eph 1:4-6, CSB)

Ask the student: what does adoption mean?

When someone comes to faith in Jesus Christ, the new Believer has the right to be a child of God.

This is more than simply a relationship with God!

Adoption is establishing your relationship with God in a way that is legal and binding like adoptions today!

2. As you listen to this passage, what gives you the sense that God considers you as something very precious? How do you get adopted by God?

For he chose us in him, before the foundation of the world, to be holy and blameless in love before him. He predestined us to be adopted as sons through Jesus Christ for himself, according to the good pleasure of his will, (Eph 1:4-6, CSB)

Ask the student: how do you know God considers you as something precious? Name all the evidence you can!

"For he chose us in him, before the foundation of the world"

God knew and loved us before we were born!

"He predestined us to be adopted as sons through Jesus Christ for himself"

God wanted us to be adopted before we were born!

"according to the good pleasure of his will"

This brought pleasure to God!
