

## **Method 1 - The Devotional Method of Bible Study (P. Rhebergen)**

In the Devotional Method of Bible study a passage of the Bible, large or small, is read and meditated on until the Holy Spirit guides you to an application of the passage into your life in a way that is personal, practical, possible, and measurable. It is the simplest and least costly in terms of time of all the Bible study methods in this outline. The goal is to take the Bible seriously and to do what it says to do.
